A technical drawing on a white background. A large, irregular polygon is shaded in a solid red color. The polygon is tilted, with its longer sides running from the upper-left towards the lower-right. It has a small, sharp protrusion at its bottom-right corner. The number '100' is printed in black text inside the red polygon, towards its right side. The entire drawing is enclosed in a thin black rectangular border. In the top-left corner of this border, the number '91' is written. In the top-right corner, the number '75' is written. Two thin black lines cross the top of the frame, one on the left and one on the right, meeting at a point near the top center.
